If you have never cut glass before, you'll be amazed how much fun this can be! Classes meet for three hours every week for four weeks. We DO NOT make suncatchers! If you need a refresher, this is the class for you. I know I can teach you something you didn't know before! Classes start the first Thursday of every month from 6:00-9:00 PM. The cost for instruction is $95.00 ($135.00 if you have your own tools).

You can either rent or purchase your tools. A complete tool kit (not including grinder) is under $295.00. Rental is $90.00. If you decide to rent tools then later decide to buy a new tool kit, you will receive a $90.00 credit towards purchase of your new tool kit. Pattern and glass are extra, and generally cost around $50.00, more or less, based on the pattern and glass you choose.

YOU MUST CHOOSE A PATTERN AND GLASS PRIOR TO THE FIRST CLASS

Once you have mastered the beginner's class, D&L offers approximately 28 advanced workshops. Examples of these workshops are on our website. This is a great way to continue your new hobby of stained glass!

CLASS SIZES ARE LIMITED, DEPOSIT REQUIRED*

*** At least 48 hours cancellation notice required for refund of deposit.**

For your safety, please wear closed-toe shoes to all classes.
Due to allergic reactions to cigarette smoke, please refrain from smoking prior to class.

Thank you for stopping by our store
